RESTAURANT RODEO

BRASILIANSKINSPIRERET RESTAURANT I BLOKHUS SOMMEREN OG EFTERÅRET 2016

I worked with Tina in Denmark setting up the "Churrasqueria Rodeo " trademark concept restaurant in Blokhus.

Her professionalism and attention to detail building the brand was remarkable. Tina has proven to be outgoing, target driven and very attention to detail.

Her skill as a multi-tasker in the hospitality industry and public relations is second to none.

It has been a pleasure brainstorming and working with her and I wish her success in her future career.
